*Roofing & Solar Integrated*  
**Capabilities Statement**

Keetso Contractors, LLC specializes in the integration of roofing and solar services. Integration of these two technologies is key to our service matrix. We provide full service roof design and construction services, including re-roofing, maintenance, and solar design and installations.

With more than 20 years of quality roofing and solar experience, Keetso Contractors will provide a free consultation. Colorado-Owned & Operated, Certified & Licensed, Proven, Experienced, Insured Crews.

Keetso Contractors provides a 5-year workmanship warranty. Installation always under Manufacturer's Guidelines and Specifications.

With over 15 years of experience in all phases of construction, owner Gabriel K. Evans's values and mission are informed by his strong belief that the roofing and solar industry can and should work hand in hand.

Keetso Contractors provides commercial and residential roofing services throughout the Rocky Mountain region.
